BOARD OF DIRECTORS

RESOLUTION NO. 466

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CHESTER PUBLIC UTILITY DISTRICT ADOPTING THE SOLID WASTE COLLECTION RATES OF FEATHER RIVER DISPOSAL, INC. D/B/A WASTE MANAGEMENT EFFECTIVE JULY 1, 2026; RATIFYING THE RATES EFFECTIVE JULY 1, 2025; AND PROVIDING FOR BOARD ADOPTION OF FUTURE ANNUAL RATE ADJUSTMENTS

WHEREAS, the Chester Public Utility District ("District") and Feather River Disposal, Inc. d/b/a Waste Management ("Franchisee") are parties to the Franchise Agreement for Collection of Refuse and Recyclable Materials, Disposal of Refuse, and Recycling of Recyclable Materials dated May 12, 2020 ("Agreement"), under which the Franchisee holds the exclusive right to collect refuse and recyclable materials from residential, commercial, and industrial sources within the District; and

WHEREAS, on June 24, 2025, the Board approved the Franchisee's exercise of the five-year renewal option, extending the term of the Agreement through June 30, 2030; and

WHEREAS, Section 5(b) of the Agreement provides that the Franchisee shall not charge for refuse collection in excess of the rates established by the District Board pursuant to Section 8-2.3.1 of the Chester Public Utility District Code, and Exhibit A of the Agreement provides that the rates to be charged by the Franchisee shall be established by the District Board; and

WHEREAS, Exhibit A of the Agreement provides for an annual adjustment of the rates effective each July 1, calculated as 75 percent of the annual change in the Consumer Price Index for Garbage and Trash Collection, U.S. City Average, and 25 percent of the annual change in the Consumer Price Index for Motor Fuel, West Urban, as published by the U.S. Bureau of Labor Statistics, with an adjustment of not less than zero percent and not more than six percent in any one year; and

WHEREAS, the Franchisee calculated an adjustment of 1.64 percent effective July 1, 2025, which was presented to the Board at its regular meeting of June 24, 2025 in connection with the renewal of the Agreement, but was not adopted by separate action of the Board; and

WHEREAS, the Franchisee calculated an adjustment of 3.37 percent effective July 1, 2026, based on a 5.27 percent increase in the garbage and trash collection index and a 2.32 percent decrease in the motor fuel index between the 2024 and 2025 annual averages, which was presented to the Board as an information item at its regular meeting of April 20, 2026, and has been charged to customers since July 1, 2026; and

WHEREAS, because the Bureau of Labor Statistics did not publish index values for October 2025, the Franchisee's 2025 annual averages are the averages of the eleven months published for that year; and

WHEREAS, District staff have reviewed the Franchisee's calculations and found that both adjustments were computed in accordance with the formula in Exhibit A of the Agreement, fall within the limits stated there, and are applied correctly to each rate in the schedules; and

WHEREAS, the adjustments do not change the franchise fee paid to the District, which remains $5,000 per year, and the District does not bill, collect, or receive the revenue from the Franchisee's rates; and

WHEREAS, solid waste collection service is not mandatory within the District, and the rates are charged by the Franchisee directly to the customers who request service; and

WHEREAS, the Board desires to formally establish the rates now in effect, consistent with Section 5(b) and Exhibit A of the Agreement, and to provide for timely Board action on future annual adjustments; and

WHEREAS, the Board considered this matter at its duly noticed regular meeting held October 27, 2026;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Chester Public Utility District as follows:

The Board ratifies and confirms the residential, commercial, and roll-off rate schedules attached as Exhibit B, reflecting an adjustment of 1.64 percent, as the rates in effect from July 1, 2025 through June 30, 2026.
