## **CPUD Tax Measure Advisory Committee Members Needed**

01-11-2024

To: Residents of Chester

The CPUD Board of Directors is seeking volunteers to serve on a Tax Measure Advisory Committee to help educate the community about the parcel tax measures that have been placed on the May 7 special election ballot. The tax measures are being proposed in order to fund the Chester Fire Department.

If you are interested in serving, please provide a letter of interest and resume (if available) to the CPUD office at [cheryl.cpubd@frontier.com](mailto:cheryl.cpubd@frontier.com).

It is anticipated that the CPUD Board will appoint members to the committee beginning at their January 23 meeting.

Members of the Tax Measure Advisory Committee will meet regularly until the May 7 election and will be given materials and information on the historical and current status of the Chester Fire Department and what passage of either of the tax measures will mean for the Department moving forward. Members will be encouraged to act as "ambassadors" to the community, helping to educate the electorate on the Fire Department's fate. As a committee of the Chester Public Utility District the members will not be able to advocate for (urge a "yes" or a "no" vote) the measures while acting in their official capacity, only educate.
